**Peter D'Attomo**

As you may know starting with August, the meeting dates have changed to the third Monday.

I'm sure it's a change for some of us as it's been Wednesday for many years. But St, James has many ministries going on they have preference. We could not have any continuity with any other days and Mondays are open for the next year.

Hopefully it will not be too much of a problem for members, and we won't have to worry about the Bears being on Monday night football any time soon.

We're a few weeks away from THE auction, so break the piggy bank and round up those tools to sell hope to see many faces at the auction, and make this the best auction ever.

Additionally, for anyone gifting an item to the St. James golf outing, please bring it to the August 21<sup>st</sup>.meeting.

**PROGRAM**

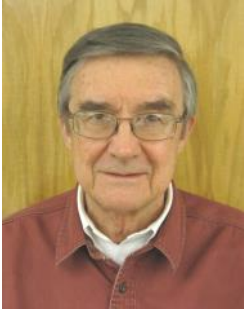

Our program last month was given by Milan Huba Field Service and Sales Manager for Stanley Black and Decker, Inc. He presented a program for the Dewalt wood-working tools  
 Due to the Auction on the last Saturday on the Month, there will be no program scheduled

**DuPage Woodworkers  
Board Meeting Minutes – July 10, 2017**

Peter D’Attomo called the meeting to order at 7:00 p.m. Present were Mike Kalscheur, Rich Rossio, Bruce Kinney, Lee Nye, Whit Anderson, Eleanore Richards, Tony Evansky, Jack Pine, Mark Wieting, Ed Buhot, Carl Shaffer, and Jerry Johnson..

**Jerry Johnson**

The June minutes and treasurer’s report were approved.

**Committee Reports**

Membership –Mike reported good activity during June and the membership is 162 as of the end of the month. Three new members reported finding the club via our new web site. Peter received a compliment on the site from a non-member acquaintance.

Library – Eleanor and Will are planning to inventory the library material and will contact the church office to gain access to it.

Prizes – Bruce reported he has acquired door prizes for meetings through the end of the year.

Newsletter – The deadline for submitting material to Bert is ASAP due to the need to get the auction info to the members in a timely fashion.

Activities – Rich has plans for a Jack Harkins shop tour on August 5. He also is arranging a rabbit plane making workshop to be led by Chris Yonkers -- July 22. One slot is still open.

Programs – July is the auction; August, Intarsia; September, ukulele.

**Old Business**

The first draft of both the constitution and by-laws has been completed. Comments to be incorporated in the next draft have been received and it will be ready for board review at the August board meeting. Ed read portions of the church’s Safeguard Against Child Abuse document. The bottom line is that Minors (individuals under age 18) must be accompanied to our meetings/events by a parent or responsible adult designated by a parent. This will be added to our By-Laws in the current update. A copy of the full 3-page document is attached to the minutes.

Facebook is tabled.

Broadcasting the auction to other wood clubs in the area is about complete. Volunteers to work the meeting have been identified with one exception. An improved procedure for arranging the items for auction was discussed. On the 29<sup>th</sup> the set up will start at 7:30, registration at 8:00, and bidding at 9:00.

We are still looking for a Toy Chair and discussed options for

continuing the program in the interim. Authorization was provided for Stan Anderson to buy a new supply of axles and wheels.

**New Business**

The board agreed to try allowing items wanted to buy on the web site.

We will continue to show spouse/SO names on the members only section of the site.

Mike will further investigate using PayPal for dues payment with the expectation that we will try it. It should make it easier for some members to pay and the cost to the club should be largely offset by reduced mailing expense.

We will again this year support the St. James golf outing with hand-crafted items for their golf outing. Items should be brought to the August general meeting – Monday, August 21. They do not need to be made of wood.

Adjourned about 8:05 p.m.

Respectfully submitted:

Jerry Johnson, Secretary

**June Door Prize Winners**

**Jim Harvey, Jerry Landerholm, Ron Hoppe**

**Coffee Makers**

Gotta have coffee at the meetings! Thanks to those who pitched in at the Last meeting

Anyone is welcome to make coffee. Just arrive a little after 6:00 and join the fun with others preparing coffee, cookies, and cleanup after

## Auction -- July 29, 2017

Come and see what choice items you can acquire for your shop. There is usually a good collection of hand and power tools as well as items that fall into the supplies category.

Set up will begin at 8:00 am and the auction will start promptly at 9:00 am. This year we are required to be out of the building by 1:00 pm so bidding will be discontinued around noon. You can bring items related to woodworking (used tools you no longer want, a piece of maple that didn't fit into your last project, etc.) or you can just come to bid. It is suggested that small items be bundled as one lot. The rules are the same as last year. Reminder: Again this year we will sell four items for each seller and then move to the next seller. This allows all sellers a chance to have four of their items offered for sale before interest starts to wane and money start to dwindle. Sellers will be able to prioritize the order of sale. There will be more rounds following the first one so you can bring more than four items to sell. See the following rules for more information on the process.

### DuPage Woodworkers' Club Auction Procedures and Rules – 2017

1. Each member will be assigned a number upon arrival. (A person must be on the club membership list as of July 1) Numbers will start 1, 2, 3, with the club being assigned number 1. The auctioneer will be assigned number 2. Non-DPWW club members will be assigned consecutive numbers starting with 101, 102.... A bidding card with that number will be given to the participant. Each item brought for sale will be labeled with the seller's corresponding number and placed on the auction table in that order. It is recommended that small items be bundled as one lot. Sellers should indicate the order in which the items are offered for sale by placing a sticker on the item and marking it with their bidder number and a priority letter; e.g., 1a, 1b, 1c....

2. Selling will begin with number 1 and proceed in numerical order. Up to four of the seller's items will be sold before moving to the next seller. The auctioneer will move from one seller to the next until all sellers have completed one round of sales 1 through 1xx. The auctioneer will then start round two in the same order. This process will continue until all items are sold. Multiple identical items sold for the same price without reopening the bidding will only count as one item.

3. EVERY participant with a number, even NON-BUYERS, MUST stop at the bookkeeper table when leaving the auction to make sure that no item was erroneously entered for that "buyer."

4. At the end of the auction, buyers will present their number to the bookkeeper, who will retrieve the buyer slips and ask the buyer to verify the purchases. To

facilitate this it is strongly recommended the buyer enter the items as they are purchased on the back of the bidder card. The buyer will pay in cash the amount due. (Personal checks of members will be accepted but are discouraged. NO credit cards.)

### Rules:

-Items must be of a woodworking nature.

No side sales will be allowed. Items brought to the sale will be auctioned.

All items are guaranteed by the seller to be in working order unless specified, "As is."

Sellers have the right to bid on their items to protect the selling price.

No large quantities of lumber. (Stock must be reduced in size so one person can carry it.)

Cash is the method of payment.

A 10% selling fee will be charged on items sold for non-members (rounded to the nearest dollar.)

Once an item is sold, the buyer is responsible for that item.

All buyers and sellers must register and have a buyer's number to participate.

If a seller must leave before the auction ends, the club will issue a check later for the seller's proceeds.

At the end of the auction it is the responsibility of each seller to remove all of his or her unsold items.

This is meant to be a fun event. Common sense will prevail.

### Logo Clothing

Caps are \$15 and polo shirts are \$20. We now have long sleeve Tee shirts.

## AUGUST PROGRAM

### Richards to show intarsia at August meeting

Will Richards, who is one of the DPWW members featured in our club video at <https://dupagewoodworkers.org/about.html>, will speak about creating intarsia projects at our August meeting. The word *intarsia* is likely derived from the Latin *interserere*, which means to insert. The technique of creating images by inserting different shapes and colors of wood dates to the 7<sup>th</sup> Century.

In Will's work, the images emerge not only from different shapes and colors of wood, like marquetry, but also with carved surfaces that provide a 3-D effect. He will discuss his techniques and create a piece during his demo. Although some pieces will be pre-cut and finished, he says, "As much as I can will be done live on stage."
