June President Message

The Auction date is now confirmed for July 28th. Soon you'll clean out the piggy bank, or clean out the workshop. So mark your calendar, further information will follow.

Peter D'Attomo

A reminder that the club donates items for the St. James

Golf outing, Silent auction, and other events later in the year. This year we'll be collecting items at the August and September general meetings. The donated items will be divided out by the St. James staff.

If you haven't heard, the club is on Facebook and getting hits. So if you're on that social media, please like us.

The Downers Grove library display is up and Ms. Melody Danley did a fine job of arranging all the items. The display is in a very prominent location and hope to generate interest in the club.

The Beads of Courage boxes will be delivered to Edward's hospital on June 13th. We have a final count of 17 boxes! Thank you all who participated.

Ray Johnson passed away May 26th. He was a member for a few years and loved making toys and other items. In his short time as a member, the club had a positive effect on him.

The family bequeathed a significant memorial to the club and the board will use the funds in his memory.

See you June 18th.

Secretary's Report DPWW Board Meeting – June 4, 2018

Jerry Johnson

Peter D'Attomo called the meeting to order at 7:00 p.m. Present were Bruce Kinney, Ed Buhot, Mike Kalscheur, Will Brethauer, Jeff Kramer, Keith Rosche, Whit Anderson, Bert Leloup, Lee Nye, Tony Evansky, George Rodgers, and Jerry Johnson. . Reminder: Any club member is invited to attend board meetings.

The May minutes and treasurer's report (presented by Lee) were approved.

Committee Reports

Membership (Mike Kalscheur) -- We have 177 members.

Prizes (Bruce Kinney) – Bruce passed out promo info for June prizes.

Publicity – Keith talked about some publicity opportunities. It was decided to focus on the July auction.

Toys (George Rodgers) – George announced the next toy workshop will be Saturday, October 6 at Woodcraft.

Activities (Jeff Kramer) – Jeff has arranged a tour of Wehrli Furniture in Naperville on Saturday, June 30. He needs ideas and volunteers for three events in the second half of this year. He could use volunteers for members to host a shop tour. These are enjoyable social activities as well as seeing how someone has solved a space or some other problem.

Programs (Lee Nye) – Lee has programs lined up through December.

Web (Whit Anderson) – Mark has photos of 74 members and Whit is going turn on the Directory app in the Members Only section of the web site.

Old Business

Ed reviewed two checklists created by the Presentations committee: one for assuring adequate facilities are available and the other for the presenter to provide guidelines on adequacy of preparation. They should prove useful even to experienced speakers.

Peter delivered the items necessary for an exhibit in the Downers Grove Library.

The church confirmed the July 28 auction date. There will be a training session for all volunteers following the July 9 board meeting. The purpose of the training is to reduce the number of errors and introduce a new form for recording the sales.

Donations for the September St. James golf outing can be delivered in August and September.

Peter is still working with the owner of Make It Here about the possibilities of incorporating both the CNC cutter and the laser engraver in a special member package.

The Google telephone number item was tabled.

Beads of Courage boxes will be delivered to Edward Hospital on Wednesday, June 13.

St. James didn't need any monetary gift to help with their garden.

New Business

The use of a potential gift from a deceased member's estate was tabled.

The meeting adjourned at 7:50 p.m.

Respectfully submitted:

Jerry Johnson, Secretary

Membership

One new member has joined the Club since last month.

Please welcome Ed Sargis from Elmhurst. Ed found the Club via a Google search for "woodworking club". His woodworking experience is with "case work".

Ed has already attended the May meeting and also has his picture in the new "Photo Roster" file on the Club website. Be sure to check it out in the "Members Only" section.

Coffee Makers

Gotta have coffee at the meetings! Thanks to those who pitched in at the Last meeting

Anyone is welcome to make coffee. Just arrive a little after 6:00 and join the fun with others preparing coffee, cookies, and cleanup after

Whit Anderson (Webmaster)

Photo Roster Live on the Website

The new Photo Roster of members is now available on the DuPage Woodworkers website. About 75 members have their picture in the Photo Roster, along with the information that has always been in the text Membership Roster. Our thanks to all the members who took the time to pose for a picture.

You can find the Photo Roster on the "Members Only" page at:
<https://dupagewoodworkers.org/membership/membersonly.html>

You can use the Photo Roster to find the name of a member that you know only by appearance, or to look up the face of a member you have heard of, but don't know. The members are listed alphabetically by last name in the Photo Roster. Since it is a .PDF file you can search the file by name, email address, phone number, etc.

The text Membership Roster will remain on the website and will be updated more often than the Photo Roster, so use the text version for checking information about new members. If you decide to print out the Photo Roster, you may want to print more than one member to a page. Check out the options in your "Print" dialog box to have the software print multiple pages (members) to a single sheet of paper.

May Program was with Dave Dockstader

Dave Dockstader was our guest speaker for the May 21 meeting. Dave is an expert with the Scroll Saw and has led the Scroll Saw Special Interest Group for the Fox Valley Woodworkers Club for many years. Dave gave out great tips and references for patterns and projects that are free on the web.

June 18 Program

Mark Osgood is an advanced woodworker and an avid bicyclist. The sum of these two interests is some amazing custom bicycles made mostly of wood. He uses some clever laminating techniques to form his sculpted frames, makes his own wooden wheel rims, and even a wood bottle cage. Wow, and the bike is not really all that heavy. Come to see the bikes and find out how he does it. You can get a preview of his work at <http://rollingartbicycles.com/>

May Shop Tour

George Rodgers

I just had to get this in to the paper. Everyone was surprised at the May shop tour. I walked in the front door and discovered tools facing me. After getting my coffee and donut, I walked further in to discover that the whole house was Georges shop. Now that is what I call a shop. It shure beats my Garage. The cars are always in the way and I freeze in the Winter.. Everyone had a great time touring one room after another.

TOYS

George Rodgers

A toy making workshop will be held on Saturday, Oct 6, 2018 at the Woodcraft Store in Woodridge, IL. We will start at 9am. More details to follow as the date nears.

Borrow Some Tools

Don't forget that one benefit of being a member of the DuPage Woodworkers is that we have some tools that you can borrow. The Work Sharp, scroll saw, moisture meter, metal detector, and Drill Doctor are available to members by contacting Wayne Maier at **630-303-1341**.

Ray Johnson memorial

Raymond C. Johnson, 85 – of Joliet, peacefully passed away May 26, 2018 at home after a courageous battle with lymphoma. Born on December 18, 1932, the son of Hjalmar and Gladys Johnson.

Left to cherish his memory are his daughters Karla (Bruce) Farr, Karen (Stephen) Holland and son David W. (Sandra) Johnson. Grandchildren Brett Farr (Jahsalynn Matz), Kyle Farr (Dannie Zebraskas), Leigh Farr, Brian Holland (Yeshani Wijesekara). Laura Holland, Kimberly Holland, Sara Johnson; a sister Karen Votara and numerous nieces and nephews.

Preceded in death by his wife of 61 years – Joan K. and brothers Don Johnson and Robert Johnson.

Ray was a man who loved life. He retired from Caterpillar after 36 years of employment. He enjoyed sharing his woodworking skills with others. His woodworking projects appear in many home and children's toy boxes. **He was a member of the DuPage Woodworkers to which he donated over 300 wooden toys last year.** He also donated wooden toys to Lurie's Children's Hospital at Silver Cross Hospital.

Ray and his buddies, Ron Berg and David Fisk, designed and constructed many sets for Joliet East operettas. He was also a member of the Rialto Stagehands- IATSE Local 124 where he built items for the stage and offices. In his spare time he enjoyed spending time fishing and hunting.

In lieu of flowers, memorial in his name to the Du Page woodworkers or the Rialto stage hand would be appreciated.

Downers Grove Library Display

Melody Danley sent a couple of pictures of the display. She was able to get almost everything in. The work is truly lovely and I know people will enjoy it. I took info from the brochure and posted it and the brochures themselves are in our community events displayer.

The Auction Is Coming! The Auction Is Coming!

Yes, the auction is coming. This year's date is **July 28, 2018**. Now is the time to start taking stock of what you have collecting dust and polish it up for sale to generate cash to buy something new. When you have items that you know you will be offering at the auction, please send me a brief description of the most desirable ones and I'll mention them in the July Newsletter. The more attractive items we can identify in advance, the more bidders will attend. Last year we had four items in the July newsletter but there were more large, highly desirable items that were offered at the auction that could have used the extra publicity. Send me the info by July 5 and maybe you will generate more interest leading to a higher price. Jerry Johnson: jlj1625@aol.com.

The annual action will be held on **Saturday, July 28, 2018** at St James the Apostle Church, 480 S. Park Blvd, Glen Ellyn starting at 9:00 am with registration beginning at 8:00 a.m. Jerry Johnson jlj1625@aol.com.

Rules:

- Items must be of a woodworking nature.
- No side sales will be allowed. Items brought to the sale will be auctioned.
- All items are guaranteed by the seller to be in working order unless specified, "As is."
- Sellers have the right to bid on their items to protect the selling price.
- No large quantities of lumber. (Stock must be reduced in size so one person can carry it.)
- Cash is the method of payment.
- A 10% selling fee will be charged on items sold for non-members (rounded to the nearest dollar.)
- Once an item is sold, the buyer is responsible for that item.
- All buyers and sellers must register and have a buyer's number to participate.
- If a seller must leave before the auction ends, the club will issue a check later for the seller's proceeds.
- At the end of the auction it is the responsibility of each seller to remove all of his or her unsold items.
- This is meant to be a fun event. Common sense will prevail.
